About Krescon

Krescon offers exclusive and high-quality profiling, coaching, mentoring and business advisory services based on best-in-class tools and techniques; patented coaching frameworks, and a powerful team of global leaders turned coaches. Over the years, Krescon's network of Internationally certified veteran coaches has established their presence across multiple countries as they work with a multitude of celebrities, entrepreneurs, business owners, business families, and professionals in the areas of:

- Leadership grooming
- Succession planning & Legacy Creation
- 360o Astro Profiling for new hire/role fitment
- Career Mentoring for students and young leaders

The Pinnacle Program - Transforming Leaders into Legends

A revolutionary one-of-a-kind program that guides you step by step to transform into a powerful leader and constantly move upwards towards the pinnacle of strategic thinking and impactful execution.

The program takes the learnings from the best of Eastern and Western thinking, including leveraging the ancient Vedic Wisdom as articulated in the revered Bhagavad Gita - the epitome of Indian Vedic knowledge. Deep within the Vedanta are the precious jewels that have the power to catapult an individual to the pinnacle of evolution and psychological development by raising one's awareness and decision making capabilities to dazzling heights.

Strongly Recommended for:

- Leaders looking to further sharpen their Leadership skills.
- Organizations proactively developing Leadership Pipeline.
- Professionals with a drive to move into a Leadership role.
- Entrepreneurs & Business Owners keen to develop strategic thinking and impactful delivery for survival and growth in the fast changing VUCA world.

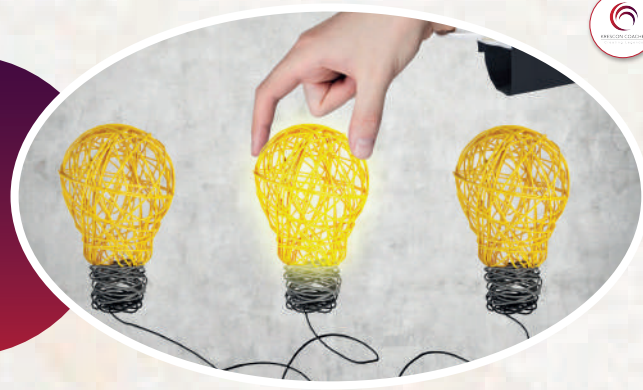

What People Say About Us!

I would like to convey my gratitude for helping me attaining personal excellence. I have experienced a big change in my thinking resulting in a phenomenal transformation in my approach towards managing day to day challenges and especially around team handling. Your discussions have also brought a different perspective to client acquisition and managing different relationships.

Managing Director
– Edutech Startup

What People Say About Us!

would like to put on record my personal gratitude for your "The Pinnacle" Program. It has helped me immensely with a better understanding and preparation for higher responsibilities in my profession at my company along with keeping a balance for my own aspirations & towards my personal responsibilities.

Senior Director – International Business

What People Say About Us!

I want to thank you helping me develop my leadership capabilities. I am extremely happy with the changes that I have observed in myself and my decision-making capabilities. As the CEO, there are many a time I need to make difficult decisions. I have experienced a significant shift in my decision-making capabilities. Your sessions allow me to be in a flow state and effectively manage my team without getting bogged by the day-to-day issues.

CEO - Financial Advisory Firm

We are delighted to write this letter of recommendation for the wonderful services provided to our organization through your Leadership Grooming program "The Pinnacle". It helped us immensely in identifying and developing our leadership pipeline and I would like to put it on record the professionalism and confidentiality maintained throughout our engagement. We look forward utilizing your services now for our senior leadership on regular basis.
